Dear Sir:

**PETITION TO REVIVE PURSUANT TO 37 C.F.R. §1.137(b) AND ISSUE FEE  
PAYMENT**

Applicant respectfully petitions for revival of the unintentionally abandoned U.S. Patent Application Serial No. 10/801,076 under C.F.R. §1.137(b). The above-identified application became abandoned for failure to pay the Issue and Publication Fees by May 1, 2006.

The entire delay in paying the required issue from the due date until the filing of a grantable petition under 37 C.F.R. §1.137(b) was unintentional. Applicant inadvertently transmitted the Issue and Publication Fee payment transmittal on May 1, 2006 via facsimile to an incorrect fax number "571.273.22885" that differs from the correct Mail Stop Issue Fee fax number "571.273.2885" by an additional "2." Applicant's fax machine generated a transmission report (attached) indicating a successful transmission, apparently because "571.273.2288" is a valid fax number.

This petition is being filed within one (1) month of the date the applicant was first notified, or otherwise became aware, that the application was abandoned. A Terminal Disclaimer is not required as this application was filed on or after June 8, 1995. The Commissioner is hereby authorized to charge counsel's Deposit Account No. 20-0782/WEAT/0474/RWR the petition fee under 37 CFR § 1.17(m) for which a Fee Transmittal and duplicate are attached, and for any other fees required to make this petition timely and acceptable to the Office. Also attached are copies of the original Issue Fee Transmittal and duplicate dated May 1, 2006 authorizing payment from Deposit Account No. 20-0782/WEAT/0474/RWR the \$1,700.00 Issue and Publication fees.

Respectfully Submitted,

---
